Crescent - the iconic hand tool brand

Crescent® revolutionized the wrench category in the early 1900s with its introduction of the original adjustable wrench. That one advancement, in effect, replaced an entire set of dedicated-size wrenches. The brand remains true to its heritage of offering quality tools that solve real problems and continues to introduce new innovations across various professional and DIY product categories. Crescent® is the hand tool brand you can trust to get the job done faster.
